

smart Crossblade

Limited Edition Smart Crossblade with the no. 0089 of 2000-built piece.

The Smart Crossblade is a roadster that is developed by Bertrandt AG as the general contractor and rebuilt in small series of Binz from the smart fortwo cabrio & pure. He has no roof and no windscreen. Instead of conventional doors are only narrow safety bar on the sides. The Smart Crossblade is geared at pure fair-weather driving so-called fun car. The produced between March 2002 and December 2003 Roadster was available from June 2002 at a price of € 24,360, the number is limited to 2000 pieces. The vehicle is weatherproof and can even be driven by a conventional washer, as several water outlets in the vehicle and all relevant parts of the interior have been designed accordingly.

The Crossblade with the serial number „0001“ was presented by Robbie Williams on his 2002er tour and then auctioned on eBay. Here in 2002 51,049.99 euros were achieved that went in favor of Robbie Williams Foundation „Give It Sum“. This vehicle comes from our Collectors Edition: This classic vehicles is in a technically and optically good condition, its patina adds a special character.
