## Mercedes-Benz 280 SL (W113)

This late production Model Year 1970 280SL was sold new in southern California to a brand enthusiast who kept the car until February 2014 when it was purchased by Mercedes-Benz Classic in remarkable rust-free condition. The subsequent, complete “nut and bolt” restoration by Mercedes-Benz Classic covered all aspects of the car including body, full interior, full driveline, i.e. engine, transmission, driveshaft, rear axle, full suspension, electrical system, etc. Special attention was paid to authenticity in detail, down to the original specification “Phoenix” whitewall tires.

This ‘matching numbers’ car presents in a factory correct combination of Moss Green metallic (DB 834), Cognac (250) leather interior, Brown (8008) carpeting and a Dark Green (747) soft top. The exterior lighting of the car now shows in European specification for added appeal and as a nod to the original design brilliance of Paul Bracq.

This newly restored Classic Mercedes-Benz represents the highest level of craftsmanship at Mercedes-Benz Classic in Irvine, California.

### VEHICLE DETAILS

Model	280 SL	Condition category	
Model designation		Chassis number	on request
Series	W113	Transmission number	on request
Year of construction	1970	Engine number	on request
Odometer reading / milometer (read off)		Matching numbers	Yes
Number of previous owners		Price	,- US Dollar
Initial registration		VAT can be stated separately	Yes
Location	Mercedes-Benz Classic Center USA		

### TECHNICAL DETAILS

Body design		Power (HP)	170 PS
Cylinder capacity (cc)	2.778 ccm	Cylinder	6
(Car) door	2	Steering element	

Transmission		Gear	4
Drive		Brake (mechanism) front	
Brake (mechanism) rear		Fuel	
Acceleration	9 s	Top speed	195 km/h
Fuel consumption	11.4 l		

## INDIVIDUAL CONFIGURATION

Colour designation exterior (of manufacturer)	Moss Green Metallic (DB 834)	Air conditioning	No
Colour designation interior (of manufacturer)	Cognac (250)	ABS (antilock brake system)	No
Interior material		Airbag	No
